What do/will you miss about graduate school?

The support and mentorship	The SLA community	Great conversations
The friends I made along the way!	Balkan dancing	working with undergraduate students
I will miss the people. I will NOT miss Van Hise.	Professors and friends	My advisor

Good things that we will miss – but before then, simply appreciate.

What do/will you miss about graduate school?

Being in a vibrant learning community.

Instructor/professor-student interactions!

a sense of community + friends

Not getting weird looks when I talk about the things I'm interested in!

friends and inspiration coming from professors

Friends

More good things that we will miss and truly appreciate.

Things that we enjoy when we are in Madison and that we remember when we are gone.

What is your favorite thing about Madison (pre-pandemic)?

cheese terrace farmer's market lake mendota lake activities fun zoo seeing friends the terrace monona terrace beer gardens cycling the university uw-madison weather chill actual human contact state street uw-madison faculty local wine or beer parks summer snow

Suggestions for preparing for Wisconsin winters?
